Heirloom Tomatoes

Spring Varieties 2026

MEDIUM SIZED TOMATOES

#28 - Lucky Tiger

- As Lucky Tiger ripens, the green striping becomes more defined, and flesh turns red, as the interior marbling develops
- overall effect when ripe is of a red tomato, with prominent green striping
- Excellent sweet, but also tart flavor

#29 - Green Zebra

- A tomato cultivar with characteristic dark green and yellow stripes
- Newer variations blush reddish, instead of yellow when ripe

#30 - Evil Olive

- Evil olive is a surprisingly huge cherry tomato, with neat green fruits that ripen halfway to a reddish brown
- Plant yields hundreds of fruits
- Flavor is on the earthy side, similar to a Kumato tomato

#31 - Blush

- Sweet, fruity flavor has universal appeal
- Beautiful, bright yellow snacking tomato
- Red stripes appear as blossom-end red marbling develops
- Strong plants tolerate tough conditions, great in mixes with other artisan tomatoes

#32 - Japanese Black Trifle

- Heirloom with unusual pear shape and burgundy color
- Good yields of 4-6oz fruits with excellent, rich flavor
- Harvest when shoulders are still green for best flavor, potato-leaf tomato

#33 - Pink Boar

- Gorgeous, wine-colored fruits with metallic green striping on vigorous vines
- Strong plants loaded with rich, sweet juicy fruits, perfect for slicing in salads
- Deep pink skin is stunning with contrasting olive stripes and luscious deep red flesh
- An irresitable treat for chefs and is from the Wild Boar series

#34 - Sean's Yellow Dwarf

- An early-mid season variety with rugose, regular leaf, productive plants
- The fruits are smooth, medium-sized, oblate, bright yellow fruit with a pale yellow interior
- Has a refreshing, bright and delicious flavor

#35 - Apricot Zebra

- A new variety with appeal tangerine-colored skin, slight green shoulders and attractive green striping which fades as the fruits mature
- Plants show excellent disease resistances and set tons of slightly oblong, golf ball-sized fruit
- Fruits are juicy and dense with notes of papaya-esque, tropical fruit flavor

#36 - Isis Candy

- Indeterminate, larger cherry tomato
- Suitable for growing in garden plots, raised beds, greenhouses, containers and large hanging baskets
- Produces 1-inch round, yellow-orange tomatoes with a sweet gold flesh
- Marbling of yellow-red appears as fruit matures

Heirloom Tomatoes

Spring Varieties 2026

MEDIUM SIZED TOMATOES

#37 - Juane Flamme

- This French heirloom variety has a distinctive, zesty taste that is absolutely outstanding
- Taste is a combination of sweet, fruity and tart

#38 - Amethyst Jewel

- Gorgeous pink, with purple amethyst splashes
- Large trusses load up with great tasting, exotic-looking fruit, between 1-3oz
- Large production, hang-on-the-vine ability with real tomato flavor, a crowd-pleaser

#39 - Rebel Starfighter Prime

- One of the most unique and beautiful fruits in the garden, with delectable flavor to match
- These exotic shaped jewels are deep purple with raspberry pink, mahogany, green and coral striping, with flecks of gold
- The flesh is chocolate-colored with a rich, sweet and complex flavor

#40 - Crushed Heart

- A cross between German Red Strawberry and OSU Blue tomatoes
- Mid-season, indeterminate variety with regular leaves, and long skinny vines
- Fruits are pink heart-shaped with dark splashes on smooth shoulders
- When ripe, the tomatoes are black on top, and red on the bottom

#41 - Aurora Blue

- This rare collector's variety produces flawless fruits that have the most luscious raspberry-colored skin, with shimmering violet to deep purple colored shoulders
- When allowed to ripen deeply, you will find the base turns a beautiful shade of crimson, and the shoulders are almost black
- Plants exhibit disease resistance, as well as high yields very early on, about 75 days
- A gorgeous slicer tomato, with rich flesh that is dense, firm, meaty, sweet and tender

#42 - Garden Peach

- A fuzzy yellow to rose colored skin, and 2-4oz in size, making it resemble a peach in every way
- These garden peaches tasted very lightly sweet and delicious
- Extremely productive tomato that bears fruit until first frost, also making it a good tomato for perservation, and salads
- Orange-strawberry in color sometimes, heart-shaped, or similar to Oxheart, often with bright orange color

#43 - Persuasion

- Mid-season tomato, roughly 2-4oz in size, with lovely pink-rose colored with green-gold striping, and varying degrees of anthocyanin splashes
- Very good flavor, ripens well on the, and has good shelf-life post harvest
